Review: Distinctive. Fine varietal character, though the petrol aroma is advanced for a young Riesling, with flavors of cooked apple, petrol and lemon. Drink now.

Review: Appearance: Bright straw with green highlights. Nose: Good intensity with herbal nuances and a distinctly diesel perfume. Add some citrus and green apples for a well-rounded and typical Riesling nose. Taste: Surprisingly full with rich fruit extract and lively, well-balanced acids. Concentrated flavours suggest green apples and lime with intriguing steely/mineral suggestions of terroir.
